repeat color transition

Using the remaining amount you have of color 1, repeat color transition instructions for a total of 6 times (if you do not have enough to finish the repeats, do as many as you can, leaving enough yarn to do a bind off with color 3)

bind off

We bind off on the forward pass, using color 3. Insert hook into the appropriate “first” space (if Row 1 = 1st space from right edge; if Row 2 = 2nd space from the right edge), yo, pull up loop, yo, pull through both loops. [Insert hook into the next space, yo, pull through both loops on hook] across to the end of the row.

joining the ends into a cowl

Hold the two ends of the cowl together, TFS front sides facing each other. With color 3, single crochet the 2 ends together.
